

IV International Energetic Forum
 September 10th, 2014
 Zaporizhzhia, EC «Kossak-Palace»

**PROGRAMME of
 the Roundtable**

**"Resource- and energy-efficient technologies and cleaner production
 for construction (EaP GREEN) and industrial sectors"**
 (2nd floor, large conference room)

Moderator: Shylovych I.L., Director of KCIS OE "Resource Efficient and Cleaner Production Center"

09.00-10.00	Registration of participants	
10.00-10.15	Opening of the event. Greeting of the participants	Goncharuk Petro Adolfovych , Deputy head of Zaporizhzhia Regional State Administration
		Svirkin Dmytro Oleksandrovych , First deputy mayor of Zaporizhzhia
		Dr. Detlef Volter , General Counsel of Federal Republic of Germany in Donetsk
		Nepran Mykhailo Ivanovych , Vice-President of Ukrainian Chamber of Commerce and Industry (UCCI)
		Kurulenko Sviatoslav Sergiiiovych , President of the Union of Environmental Auditors of Ukraine, Chairman of the Committee of Entrepreneurs on Environment Protection and Nature Management at UCCI
10.15-10.25	Zaporizhzhia on its way to energetic independence	Salii Ivan Mykolayovych , the Head of the Committee of Entrepreneurs-producers of construction materials and products at UCCI, President of Ukrainian League of Construction Materials Producers, Vice-President of Confederation of Builders in Ukraine
		Demchenko Vadym Mykoloyovych , Director of Investment Department ME "Zaporizhzhya city investment agency"
10.25-10.45	State of the construction materials' industry in the period of production decline and more efficient energy usage	Salii Ivan Mykolayovych , the Head of the Committee of Entrepreneurs-producers of construction materials and products at UCCI, President of Ukrainian League of Construction Materials Producers, Vice-President of Confederation of Builders in Ukraine
		Panchenko Sergii Oleksandrovych , Head of Ukrainian League of Construction Materials Producers
10.45-11.00	State support for projects in the direction of the transition to a "green" model of production and consumption	Trofymenko Natalia Stepanivna , Head of Department of Strategic Planning of Ministry of Ecology and Natural Resources of Ukraine, Coordinator of EaP GREEN Project in Ukraine
11.00-11.15	Technical support for the implementation of resource efficient programs at the enterprise level of Ukraine in the framework of UNIDO Project	Shylovych Igor Leonidovych , Director of KCIS OE "Resource Efficient and Cleaner Production Center"
11.15-11.30	Resource efficient and cleaner production at the industrial enterprises in the framework of EaP GREEN Programme	Tsybka Maria Mykolayivna , Coordinator of Demonstration Project on EaP GREEN Programme in Ukraine
11.30-11.45	Experience of implementing projects aimed at improving resource efficiency of the enterprises	Sakalosh Taras Vasyliovych , Executive director of KCIS OE "Resource Efficient and Cleaner Production Center"
11.45-12.00	Solutions for energy-efficient construction from Saint Gobain	Rotar Denis Valeriiovych , Technical consultant for "Saint-Gobain Construction Products Ukraine"
12.00-13.00	Coffee break. Communication Opening of the Fairs "Energy", "Energy Efficient Construction" (1st floor, exhibition hall)	
13.00-13.15	Improving of energy efficiency in state buildings of Dnipropetrovsk. energy performance contracting	Gondar Oleksandr Oleksandrovych , Deputy Head of Department of Industrial Policy and Energy Conservation, Department of Industry, Business and Investment of Dnipropetrovsk City Council
13.15-13.30	Priority measures on energy saving in heating systems	Iarushevskii Mykhailo Teodorovych , General Director of LLC "Spetstorg"
13.30-13.45	Improving of energy efficiency in Ukraine as a key factor in stabilizing the situation in the country using the potential of housing and community amenities. Energy efficient refurbishment of buildings. German experience.	Volokh Volodymyr Mykolayovych , Coordinator of Zaporizhzhia German-Ukrainian project "Sustainable Housing and Community Amenities in Ukraine"
		Demchenko Vadym Mykoloyovych , Director of Investment Department ME "Zaporizhzhya city investment agency"
13.45-14.00	Recycling and disposal of sludge treatment facilities on the basis of the continuous pyrolysis	Dushutin Andrii Pavlovych Project coordinator and the head of the service company GK Energy in Ukraine, a group of companies Gekona Group
14.00-14.15	Opportunities of applying low-potential energy sources for the needs of housing and community amenities and agriculture	Nazarenko Oleksii Mykolayovych , National expert on energy efficiency of UNIDO, Head of the Scientific Research Center for Energy Efficiency Technologies of Zaporizhzhia State Engineer Academy
14.15-14.30	Practice of sustainable, socially responsible and cost-effective construction	Moskalenko Oleg Petrovych , Head of engineering bureau FDI "Tebodin Ukraine"

Organizators:

Zaporizhzhia Regional State Administration

Zaporizhzhia City Council

Європейсько-українське енергетичне агентство
 European-Ukrainian Energy Agency

Financial support:
